MONEY MATTERS in Year 5

As part of our curriculum offer to promote development of personal and social skills, Mr Souter joined Year 5 yesterday morning to deliver the third lesson from the Money Mentors Programme.

Module 3 focuses on 'Types of Payment'. Through role play, stories and discussion, Year 5 demonstrated super understanding of the positives and negatives of the different payment methods. Mr Souter complimented the class on their listening skills and high levels of participation and engagement. Well done Year 5. Mr Souter will return when the children are in Year 6 to deliver Modules 4-6 of the Money Mentors Programme. We look forward to welcoming him back then.

SHARING OUR FAITH

'My commandment is this: love one another,
just as I love you.'

John 15

This Sunday, we will hear Jesus give the commandments to love one another as He has loved us. This is central to our school ethos and to our children as Sacred Heart School.

O Sacred Heart of Jesus, we implore

The grace to love you more and more

O sacred Heart of Jesus, we placed all our trust
in you.

O Sacred Heart of Jesu, have mercy on me.

AMEN

SPECIAL EGGY VISITORS

We are looking after some very special friends over the next few weeks. We have an incubator with 56 hens eggs from different breeds.

The eggs will hatch in around three weeks time.

The incubator copies what a mother hen would do; keeping them warm and turning them every so often.
